

NJSTAMP Login Procedures

KEY URLS:

Student Login: <http://www.njstamp.net>
Teacher Login: <http://report.njstamp.net>

STAMP TEST Procedure:

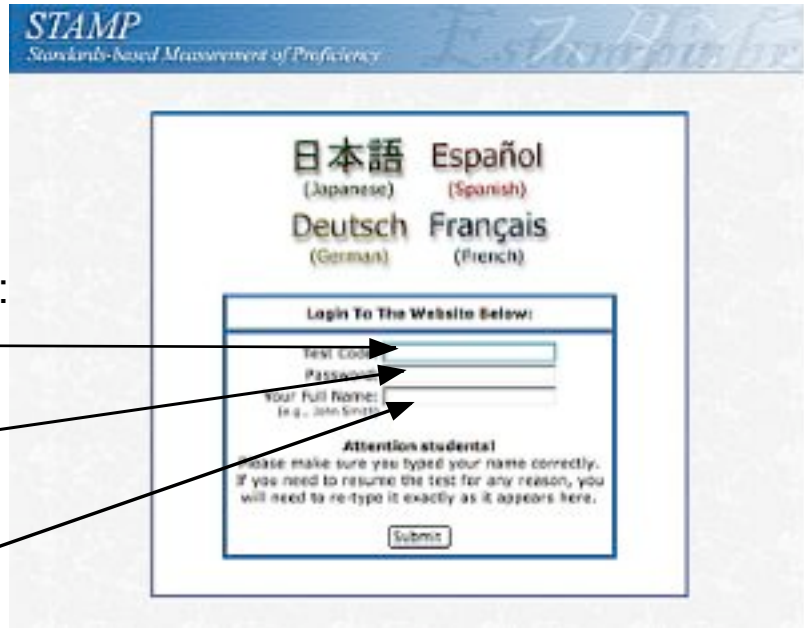

1. Have the students log into the testing site with the **STUDENT URL**.

2. Once the students are at the testing site, they will input the user name and password supplied to the teacher for this specific class:

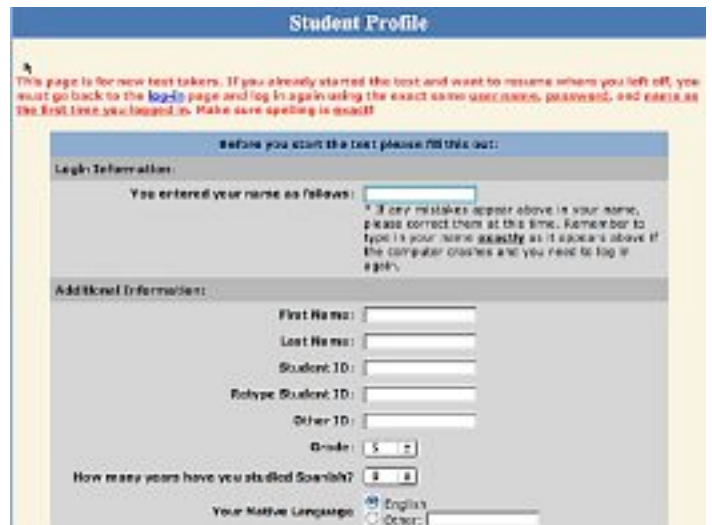

Test Code: _____
(supplied to teacher)

Password: _____
(supplied to teacher)

Student's Name: _____

3. Once the students have completed the login information and clicked on the "Submit" button, they will move to this page. They will be **required** to input their student ID number into this screen in order to move to the actual test section and begin taking the assessment. The ID number is the data point that allows later merging capabilities with your school/district SIS. This page will only take a few moments to complete.
